The paver driveway leads to a front patio and lush landscaping. As you step through the solid double doors with a transom window above, you're greeted by a soaring foyer ceiling adorned with dark beams and illuminated by three designer pendant lights. The grand family room boasts soaring ceilings with dark beams. The custom-built entertainment center has shelving, cabinetry, and lighting. A wall of 10-foot zero-corner sliders, with impact glass, floods the room with natural light while providing seamless access to the lanai. The gourmet kitchen features a large floating island with seating and storage all around, a stainless-steel appliance package with a Wolf six-burner range with dual ovens, KitchenAid refrigerator, Asko dishwasher, and a Wolf microwave. Quartz countertops flow seamlessly into the backsplash, and soft-close custom cabinetry that nearly reaches the ceiling. A spacious closet pantry with wood shelving adds even more storage. The kitchen opens to the large dining area with another set of dark ceiling beams and two designer hanging lights. Outdoors, the sealed paver lanai offers both covered and uncovered seating areas, a heated saltwater pool and spa with a sun shelf, and a spacious backyard with lush, private landscaping. The preserve views and westward exposure create a serene,

quaint environment. In the luxurious primary suite, a large picture window overlooks the lanai and preserve views, while a private door leads directly outside. The suite boasts two closets—one is a walk-in with custom California Closet built-ins. The elegant bath features a 13-foot vanity with two sinks and a makeup area, a glass walk-in shower with two heads, one for a rain shower, and a free-standing tub.
