Residential on 0.21 Acres

HOLMES BEACH 33RD UNIT, HOLMES BEACH, FL

This home has sustained serious damage from Hurricane Helene. It's being sold "As Is".

It has a comfortable and enjoyable floor plan with great potential to remodel or start over and design what your heart desires. The current owner and her late husband enjoyed the peacefulness of the neighborhood and the short distance to the beaches along with nearby shopping and restaurants.

The owner also owns a deeded boat slip at the end of the street being offered separately for \$60,000.

Buyer should verify the condition of AC, generator, sprinkler system, etc due to storm damage.

There is a 500 gallon propane tank buried in the front yard which powered the home generator.

The photos you see were taken prior to Hurricane Helene.

Built in 1963
