PALMA SOLA BAY CLUB PH 16A,
BRADENTON, FL

Life doesn't wait, so why would you not buy this condo with a forever view in your budget? At almost 1700 sq ft, it has a great split plan with sizable living area, open concept to the kitchen and dining area. The balcony is positioned right off that main entertaining space, with long views of Palma Sola bay. A multiple football fields long view. Plenty of storage, interior and an exterior space as well. 2 parking spaces too. The community has vast amenities as well, a pool, fitness area, multiple grilling stations, even a kayak launch. You're about 9 minutes to the beach, less than that from an array of shops and restaurants. At under \$500k, if there's a better option I haven't seen it.

Built in 2018
