MILL CREEK PH III, BRADENTON, FL

Welcome to your new home in the desirable Mill Creek community of Bradenton, Florida. This charming 3-bedroom, 2-bathroom residence at 707 133rd St E offers 1,716 square feet of open, light-filled living space on a rare and spacious half-acre lot. Unlike most new construction homes where the lots are the size of a postage stamp and you can practically reach out your window and touch your neighbor's house, this property offers true breathing room, privacy, and space to enjoy the outdoors.

Inside, you'll find vaulted ceilings, a large living area, and an updated kitchen with ample cabinetry and modern appliances—ideal for both everyday living and entertaining. The primary suite includes two walk-in closets and a private en-suite bathroom with a spa tub and walk in shower. The home features solid wood and tile flooring throughout for easy maintenance. The laundry is currently utilizing an interior hook up but can be relocated to the garage to use the room as a small den or office. The attached two car garage offers plenty of storage.

Step outside to enjoy Florida living on the screened lanai overlooking the expansive yard with access to Mill Creek — perfect for relaxing, grilling, or hosting friends and family! Mill Creek is a quiet, deed-restricted neighborhood. It's just minutes from Lakewood Ranch, top-rated schools, shopping, dining, and Gulf Coast beaches.
