Take a left and you are standing in the Formal Dining area, walk a little further and you step down into the expansive, regal Kitchen. Floor to ceiling glass windows line the left wall with the Kitchen to your right that offers granite stone countertops and executive-style cabinetry and stainless steel appliances. "Bungalow" wood paneling for the ceiling

brings a tropical resort-style type of vibe. Wrapped around behind the Kitchen is a Game Room and a step-down, built-in Living Room with a fireplace. Back here is also another bedroom, bathroom and secondary spacious Living area. Keep walking along the backside of the property to the right side, behind the staircase and you will find the grandiose Primary Suite fit for a King! This suite provides ample amounts of space as it has enough room for a whole sectional sofa! Elegant is an understatement with a platform area for the bed and breathtaking bathroom that features a built-in tub smack dab in the center, his and hers sink nook, his and hers toilets and walk-in shower with 2 entrances. Let's not forget the humongous walk-in closet with tons of built-in drawers and shelves. Let's make our way on up the spiral staircase where the rest of the 4 bedrooms and 3 bathrooms are. Up here is more Living space, another fireplace with a cathedral, wood-paneled ceiling, another Game Room and Kids loft with peek-a-boo flooring to the Kitchen. Step outside on the catwalk-balcony for those spectacular Bay views that overlook the large swimming pool. Go fishing from your own wooded walking path that jets out into the Bay.
